*Welcome to Advocatuur a bar that challenges the status quo by blending formalities with the spirit of rebellion.*

## WEG MET DE REGELTJES

*Around the mid-1960s Amsterdam was a strict, conservative place, recovering from World War II. Young people were restless and tired of being told how to live, how to behave and what to do.*

*Fed up with pollution, consumerism and government control, they believed in playful resistance instead of violence, pushing authorities to overreact and expose their own flaws.*

*A movement was born!*

# PRØVO

*The name Provo comes from the Dutch word “**provoceren**” which means “to provoke” and that is exactly what they did around that time.*

*Our Jenever blends historical roots with modern flair.*

*Using three distinct distillation methods and a unique mix of botanicals, herbs, spices, fruits, flowers, and teas from around the world, PRØVO offers a fresh take on classic jonge Jenever—a lightly malty base with notes of juniper and warming spices.*

Discover PROVO with our single-sip selection, inspired by Amsterdam's heritage and the spirit of rebellion.

#### KOPSTUK

PRØVO, Advocaat Dry Vermouth, Amsterdam eitje

*This drink is inspired by the Dutch 'kopstoot', garnished with a quail egg, served with our house beer, Justitia. The story behind is that traditionally brown cafes served them as a simple affordable snack alongside drinks, A practice that started due to the Dutch law being introduced of offering food while serving alcohol for business to focus on responsible drinking.*

#### PORNSTAR

PRØVO, Passion Fruit & Vanilla, Champagne

*A sexual revolution emerged with Provo at its heart, advocating sexual liberation with a strong focus on women's rights. It laid the foundation for the Dutch feminist wave, transforming the Netherlands into one of Europe's most progressive societies.*

*"Make love, not war."*

#### ALEXANDER

PRØVO, Chocolate & Pandan, Cream

*In 1966, during the wedding of Princess Beatrix to Claus von Amsberg, Provo threw smoke bombs along the parade route in protest. Due to Claus his background. Creating chaos, overacting police, resulting in international headlines—exactly what Provo wanted to expose.*

#### MARTINEZ

PRØVO, Advocaat Sweet Vermouth, Chinotto Picon, Maraschino

*Provo disbanded in 1967, declaring their mission accomplished, but their influence remains. Amsterdam's bike-friendly streets, environmental consciousness, and open-minded spirit owe much to Provo's playful defiance.*
